EAST LANE GOLF

Match Play Card

Play the situation, hole by hole

Match play is hole by hole — a blow-up costs you one hole, not your whole card. Play the situation in front of you.

Situation	Tactic
You're ahead	Play safe, make them chase
You're behind	Take on more, apply pressure
Opponent in trouble	Get your ball in play first
Short putts	Hole out; concede only tiddlers
All square, closing	Par is usually good enough

Play the course early, the opponent late.
