EAST LANE GOLF

Putting Pace Card

Lag it close, kill three-putts

Distance control beats line on long putts. Your only job from range is to leave a tap-in.

Putt	Target	Feel
3–6 ft	Hole out	Firm, accelerate through
10–20 ft	Within 2 ft	Smooth, let it die at the hole
20–40 ft	Inside 3 ft	Bigger turn, equal back & through
40 ft +	Two-putt	Read slope; lag to a 3-ft circle

Pre-round drill: roll three long putts, each finishing inside a 3-ft circle.
