Trouble Shot Guide

Damage control, not heroics

Trouble shots are about damage control, not heroics. Get the ball back in play first.

Trouble	Play
Fairway bunker	+1 club, ball centre, pick it clean
Greenside bunker	Open face, hit 2 in behind, accelerate
Deep rough	Wedge back to the short grass
Ball above feet	Aim right, choke down
Ball below feet	Aim left, more knee flex, stay down

Ask: what gets me to an easy par or bogey?
